Dear Sir,

The Govt have under consideration the question of the arrangements to be made in the future for the conduct of the Ethnographic Survey work, of which you have been in charge for so many years past. Before passing final orders, the Govt will be glad to know what your own wishes ~~[illegible]~~ are in the matter. The favour of an early reply is requested.

I am desired to request you to be so good as to state for the information of Govt whether you are willing to continue as Hon: Offr in charge of Ethnographic Survey in Mysore until 1st July 1916.

Yours Sincerely

Office of the Ethnographic Survey in Mysore.

Dated Camp Mysore, 6th July 1916.

Dear Mr. Narasinga Rao,

With regard to Ethnographic work, it would have been finished and wound up long ago if I could devote more time to it. It does not take long to finish it now, and I have thought of taking it up seriously after the pressure of work in connection with the University is over and finishing it in about 6 mont I have materials accumulated, and naturally would like to finish the work myself. Otherwise I should have asked to be relieved of it long ago. Beyond this, I have no personal wishes to communicate. As most of the material is ready, I expect it would easy to reprint the preliminary issues with such additions and illustrations as may be required, and wind up the work early, provided the Press seconds my efforts.

If Government has any particular views to be carried out, I shall probably be able to

to comply if they are communicated to me.

Yours sincerely,
